You do not have to list the last four digits of a SSN, but if they are not listed, or the “Check here if no SSN” is not marked, we cannot approve your child for free or reduced price meals. The last four digits of the SSN may be used to identify the household member in verifying the correctness of the information stated on the form. This may include program reviews, audits and investigations, and may include contacting employers to determine income, contacting a CalFresh, CalWORKs, FDPIR, or Kin-GAP office to determine current certification for CalFresh, CalWORKs, FDPIR, or Kin-GAP benefits, contacting the state employment security office to determine the amount of benefits received, and checking the documentation produced by the household member to prove the amount of income received. These efforts may result in a loss or reduction of benefits, administrative claims, or legal actions if incorrect information is reported. The last four digits of the SSN may also be disclosed to programs as authorized under the NSLA and the Child Nutrition Act, the Comptroller General of the United States, and law enforcement officials for the purpose of investigating violations of certain federal, state, and local education, and health and nutrition programs.
