Quarknet Summer Workshop for Science Teachers
UC Santa Cruz
Institute for Particle Physics SCIPP
Sponsored by Quarknet (NSF), GLAST (NASA), Space Grant,

Cosmic Ray Detectors
August 3 - 7, 2009

UC Santa Cruz Campus

A 1 Week Program for Middle and High School Science Teachers

- Network with UC Santa Cruz scientists, students, and fellow teachers
- Learn about
  - Astrophysics and Particle Physics
  - Cosmic Rays/Gamma Rays
  - FERMI
  - Biological & Medical Applications
- Get hands-on experience with
  - Quarknet Cosmic Ray detectors
  - Data acquisition hardware and software

Stipend of $100/Day
Teacher Mini-Grants
On-Campus Housing & Academic Credit available.
