

## **Information About Tutoring Through Learning Support Services**

### **Who is eligible for tutoring?**

All UCSC students are eligible for up to 1 hour per week of tutoring, as long that the class is not supported by MSI. If the class is supported by MSI, you must attend MSI first.

### **What can I expect from my tutoring sessions?**

The tutoring sessions are meant to be interactive. You can expect to participate: to ask and to answer questions, to clarify important concepts and to develop study strategies that are important for your discipline.

### **Is the tutoring one-on-one or with a group?**

Each tutoring session can have up to 4 students. If you require specific accommodations, such as one-to-one tutoring, please contact Learning Support Services at 459-4333.

### **If I am receiving tutoring, do I need to attend lecture or section?**

Absolutely! Our services are supplemental and are meant to help you develop your understanding of the course material. You will get much more out of your sessions if you attend lecture and section regularly.

### **Where can I get more information?**

For further information, go to the following website:
